South Dakota "One Health" Working Group Seminar

The Human-Animal Bond in Healthcare Settings

Thursday, March 8, 2018

9:00 am – 4:00 pm

USD Health Science Center Room 106
1400 West 22nd Street
Sioux Falls, South Dakota

The latest in a series of "One Health" meetings in South Dakota, this session will explore the relationship between people and animals in regard to service animals, therapy animals, assistance animals and others. Particular emphasis will be placed on the role of these animals in healthcare settings such as hospitals, nursing homes, and assisted living centers.

Interested audiences:

Human health professionals, healthcare workers, healthcare facility administrators, veterinarians, health and animal educators, medical and veterinary science students, regulatory officials, among many others.
